Freedom Summits
28 August 2015 ·

Former U.S. Marine, Ken O'Keefe, has worked as an entrepreneur, marine conservationist, and Human Rights Activist. Born in California, he publicly renounced his American citizenship on March 1, 2001 in Vancouver Canada and, after returned to him by the US, has since renounced a further two times.
He now proudly holds Irish, Hawaiian and Palestinian citizenship, although his ultimate allegiance is to all people and thus is in truth a world citizen.
He continues to educate the world on the need for peace, consciousness, humanity and unification.
We are thrilled to welcome Ken to the 2015 **Freedom Summits**.
